NOTICE TO THE MEMBERS FOR THE TWELFTH ANNUAL GENERAL MEETING

Notice is hereby given for Twelfth Annual General Meeting to be held on **27th of September 2014 at 2.30pm** at **Hilton Chennai, Guindy, Chennai – 600 082** to transact the following

- I. To consider and adopt Statement of Affairs of the Association as on 31st March, 2014, Receipts and payments & Income and Expenditure for the period ended 31st March, 2014

- II. **ELECTION** : For the following Office Bearers and Executive Committee Members, who retire on rotation and resignation:
 - a. Chairman Mr. S. Mani retires by rotation and is eligible for re-appointment. He offers himself for re-appointment.
 - b. Secretary - Mr. S. Gnanasekaran retires by rotation and is eligible for re-appointment. He offers himself for re-appointment.
 - c. Treasurer - Mr. K. Sivaraman retires by rotation and is eligible for re-appointment. He offers himself for re-appointment.
 - d. Executive Committee Members, 3 from Large Sector
 - Mr. M. Balasubramaniam, retires and, is eligible, for re-election.
 - Mr. D. Ponnuswamy, retires and, is eligible, for re-election.
 - Mr. R.R. Seenivasagan, retires and, is eligible, for re-election.
 - e. Executive Committee member, 1 from Medium Sector
 - Executive Committee Member representing Medium Sector Mr. Khaleem Ahmed has resigned.

- III. To consider and appoint Auditors for the Association and fix their remuneration.

M/s. Varadarajan & Co. is eligible for re-appointment and they have expressed their willingness for re-appointment.

IV. RESOLUTION :

1. **SUBSCRIPTION FEE:** To consider and adopt the following subscription fee as recommended by the Executive Committee:

SECTOR	SUBSCRIPTION AS ON MARCH, 2014	SUBSCRIPTION - EFFECT FROM APRIL, 2014
LARGE	₹ 10000	₹ 15000
MEDIUM	₹ 5000	₹ 7500
SSI	₹ 2500	₹ 3750
TINY/MICRO	₹ 1000	₹ 1500

2. **Lease of land for CHWTSDF:** To consider and adopt the following resolution authorizing the Executive Committee to negotiate and finalize the methodology of compensating the cost of additional lease for the land by the service Provider.

“Resolved that the Executive Committee is hereby authorized to discuss and negotiate the compensation payable to Service Provider for the investment in additional lease for land towards establishing CHWTSDF”.

Explanatory Statement:

SIPCOT has leased 27 acres of land allotted to IWMA ₹ 9lakhs per acre. We expect the site to be up for closure by 2015-16. Hence, it is imperative to procure additional land for disposing Hazardous waste. For the remaining 39acres allotted to IWMA, SIPCOT has quoted ₹ 30lakhs per acre in 2011. The Government of Tamil Nadu has made it clear that since this land is for the use by commercially operating industries, the land can be given only at prevailing commercial cost. This will result in increase in investment towards land cost at current market value. Government of Tamil Nadu has notified more lands in various parts of Tamil Nadu and plans to lease the land on tender basis. Since the Association will not be able to make lease payments, the lease cost may have to be paid by the service provider. He will expect this increase in investment to be recovered from the disposing industries.

The resolutions are placed before the AGM for approval

/By Order of the Executive Committee/

Place: Chennai

Date: 28.08.14

S.Gnanasekaran
Secretary, IWMA

SECRETARY'S REPORT

Dear Members,

I am pleased to present the Secretary's Report on the Twelfth Annual General Meeting to be held on September 27, 2014 in Hotel Hilton International, Guindy, Chennai - 600032.

The growth in membership to the Association continues to be satisfactory. The membership as on 31.03.2014 stands at 1530. The disposal of hazardous wastes in landfill and by incineration has also shown improvement. The disposal in landfill has crossed ₹1.5Lakh MT and by incineration has touched 14,500 MT.

Description	No. of members
Members as on March 2014	1530
Members with pending subscription fees for the year 2013-2014	243
Members who have utilized the CHWTSDF (till March 2014)	557

20 members from Rotary Club, Ambattur, representing various industries visited the CHWTSDF on 03rd August, 2013 and appreciated IWMA & TNWML for a well maintained landfill operation

Office Bearers and Executive Committee Members from Haryana visited the CHWTSDF on 12th February, 2014 and complimented IWMA and TNWML on the operation of the facility and compliance to Environmental Rules.

As resolved in the last AGM, your Association has engaged Deloitte Touche Tohmatsu Limited to assist us in negotiating the increase in User charges claimed by TNWML. We are happy to share with you that the User Charges have been successfully settled.

The salient features of the negotiations are –

Rates of Direct Landfill charges increased to ₹1530/MT (<4.5% increase year-on-year)

Rationalisation of Treatment charges prior to Landfill to 10 categories in place of existing 100 odd categories at rates ranging from ₹1850 - ₹3650 per MT.

Transportation cost increase to ₹4.70 - ₹5.00 per MT per KM depending on the 2-way distance between the industry and the CHWTSDF. (3% to 5% increase year-on-year)

Incineration charges have been revised to ₹18750 (<4.5% increase year-on-year)

We are pleased to inform you that the charges are competitive to prevalent tariff for equivalent wastes in other States.

We also record our appreciation to the Executive Director for resolving the matter in favour of the members industries.

At the same time, we thank TNWML for resolving the issue amicably.

Enviro-competitions elicited enthusiastic response from more than 60 schools and IWMA thanks SOF in successfully coordinating the event. As part of the programme, Prof. Natarajan of IIT (M) mentored the YES awards programme and briefed the participants on the methodology of YES awards.

IWMA is pleased to inform the members that the YES Awards, a research enabling competition for school students was extended to the Government schools also. IWMA is grateful Thiru. Vikram Kapur, IAS, Principal Secretary and Commissioner, Corporation of Chennai and the officials from the Education Department for their active backing in the participation of Government schools. Prof. Natarajan was kind enough to tutor the students from the private and Government schools into the nuances of research over 3 months. We are proud to share with you the resounding success of the competition; with the Government schools (one third of the overall participation) proved their mettle by winning several prizes from Thiru. Vikram Kapur, IAS (Chief Guest) and Prof. David Kovil Pillai, Department of Electrical Engg, IIT (M)

Another feature of this year's YES awards was the participation of the students of "Centre for Innovation", IIT (M) who motivated the school children by showcasing their projects and guiding them.

We are also proud to share with you that the quality of the projects submitted in the YES event is on par with National and International level competitions.

IWMA has been reaching out to the industrial needs by conducting workshops and seminars. The Association was concerned with, hardly 20 industries availing the consultancy services of CLRI. Workshop explaining the consultancy advantages with CLRI was conducted in Irungattukottai (SIPCOT Industries & Manufacturers Association) in February 2014. Similar workshops are planned for industrial Associations in Tamilnadu.

On representation from industries, a seminar on “Solar Evaporation” was conducted in March 2014 with speakers from the academia, vendors and industries.

We had also participated in 4th CII-Waste Management Summit-2013 our chairman was invited as guest speaker. Our Executive Director was empanelled as Jury for CII -Best Environmental Practices Award 2013

I will mention briefly the calendar of events last year.

ABOUT IWMA

In the nineties, the honorable Supreme Court (SC) addressed the indiscriminate disposal of wastes from industries. Towards secure disposal, the SC recommended setting up of Common Hazardous Waste Treatment, Storage and Disposal Facility (CHWTSDF), as the expertise and infrastructure required could not be afforded by most of the industries.

In 1999, the honorable Supreme Court decreed that the State Governments and waste generators should develop CHWTSDF to make secure disposal of wastes affordable to all waste generators.

In response, Tamilnadu Government decided to form a body of representatives from industries to coordinate the disposal of wastes from industries in Tamilnadu. Subsequently, Tamil Nadu Pollution Control Board (TNPCB) directed the industries to facilitate establishment of CHWTSDF.

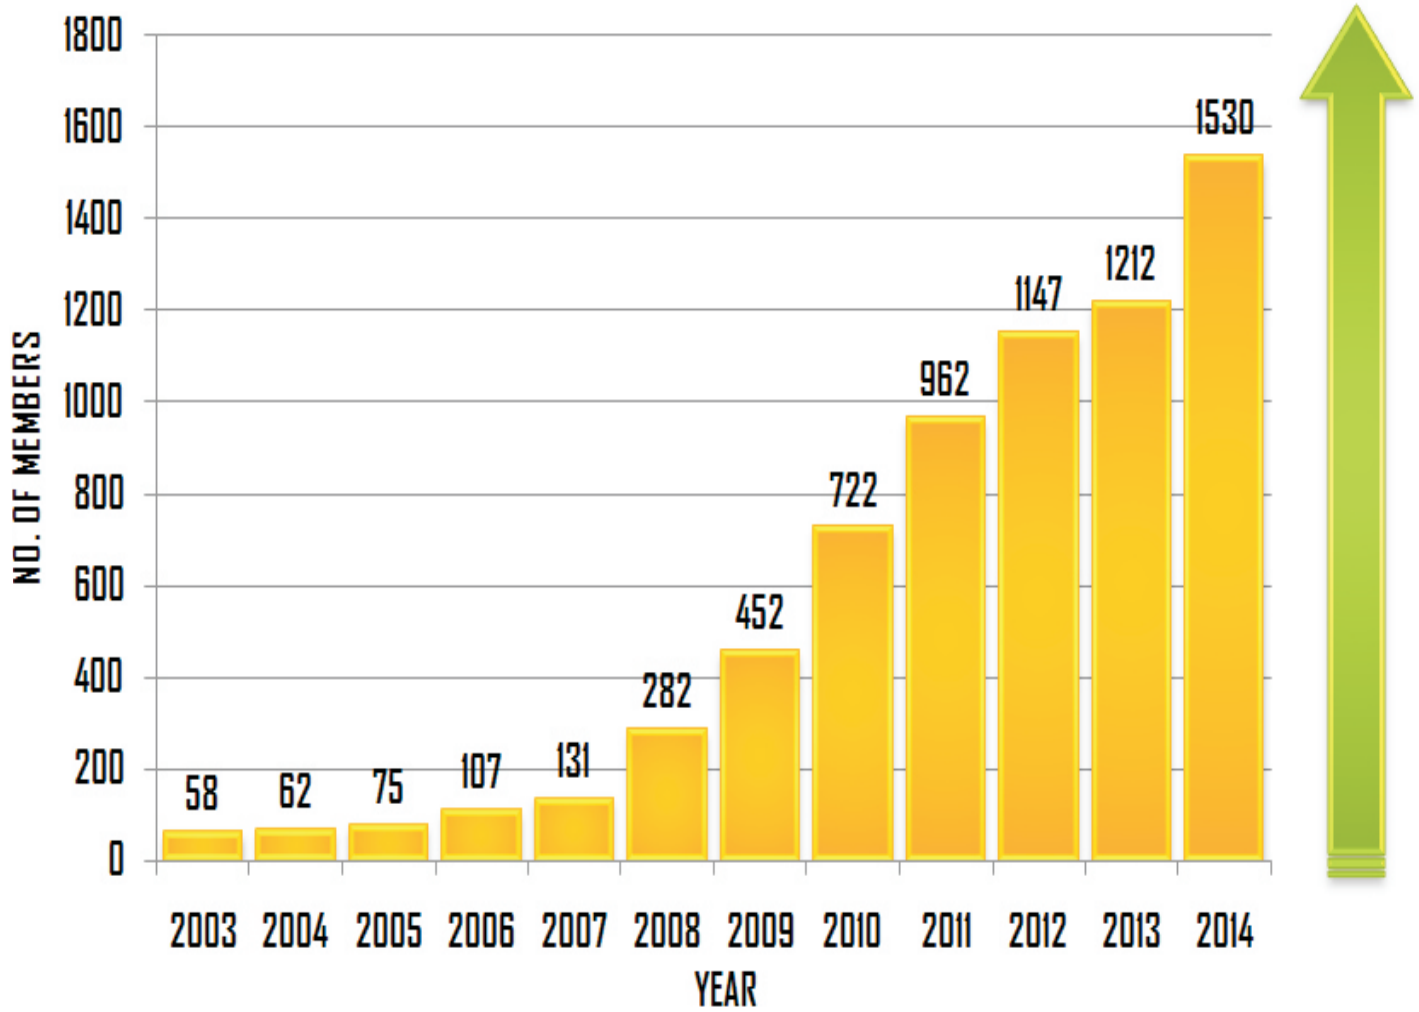

In compliance Industrial Waste Management Association (IWMA) was registered in 2002. Since then, IWMA has been passionately and steadily working on its charter despite several hurdles that came along its journey.

MEMBERSHIP STATUS

Initially the intent of the association was to develop common waste disposal site for three districts namely, Chennai, Kanchipuram and Thiruvallur. Today it serves the entire state and represents a wide sector of industries in Tamilnadu.

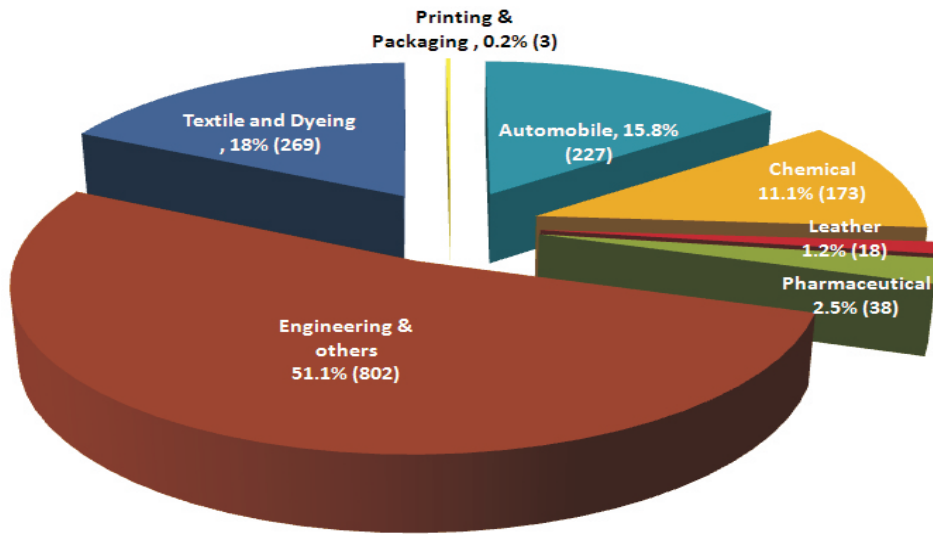

IWMA started with a membership of 35 in 2002 and stands at around 1530 today. The association is run by self-motivated representatives from industries from all sectors. Besides multi-national companies like **Ford, Hyundai, Nokia, Visteon, Caterpillar, Saint Gobain** and automobile ancillaries like **Amalgamation, Rane** and **TVS groups**, pharma companies like **Orchid Chemicals** and chemical companies like **Manali Petroleum Corporation**, small scale and micro industries also form a sizable percentage of the membership.

MEMBERSHIP REGISTRATION GROWTH

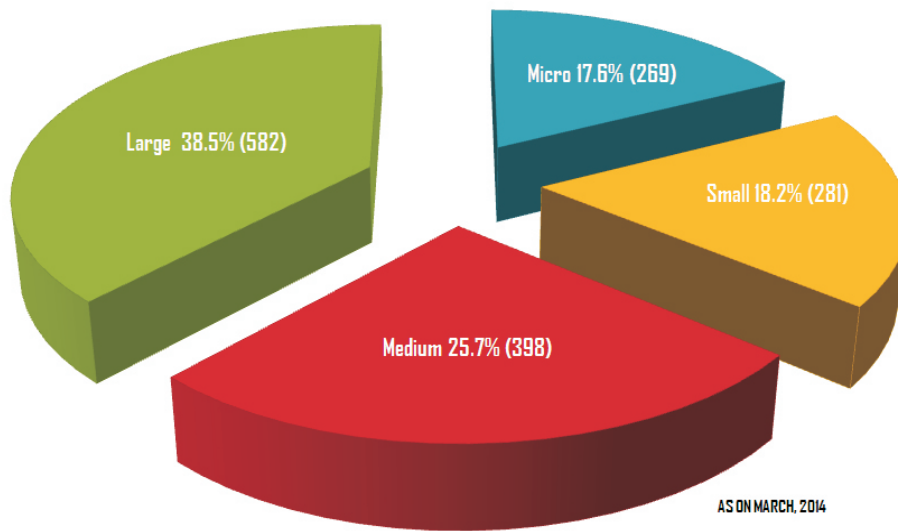

AS ON MARCH 2014

Industrial Members - Category - wise (As on March, 2014)

Industry members Sector Wise (As on March, 2014)

IWMA – Office Bearers

Chairman	Mr. Mani S	Pharmaceutical Sector
Secretary	Mr. Gnanasekaran S	Engineering
Jt. Secretary	Mr. Baskaran K	Engineering
Treasurer	Mr. Sivaraman K	Printing & Packaging Sector

IWMA - Executive Committee Members

Sector	Large	Medium	Small & Tiny
Automobile	3	1	
Engineering	1	2	1
Textile		2	

Subscription Status(Effective members)

CHWTSDF ESTABLISHMENT & OPERATION

Since no lands could be identified till 2005, SC Monitoring Committee recommended allotment of plots from industrial development zones. Accordingly, Tamilnadu Government directed SIPCOT to allot 66 acres to IWMA in its Gummidipoondi site. SIPCOT transferred around 27 acres in 2006 for the first phase of landfill development for hazardous wastes from industries.

IWMA identified RAMKY group as the service provider (in 2004) for establishing and operating the CHWTSDF. Subsequently, Ramky group promoted a SPV, Tamilnadu Waste Management Limited (TNWML) to build and operate a CHWTSDF. TNWML was handed over unhindered possession of the land in 2007. Due approvals and consent were obtained and the CHWTSDF was established under supervision of IIT (M). The facility was commissioned in September 2007. IWMA members started receiving authorization from TNPCB to dispose their hazardous wastes in the CHWTSDF.

TNWML has also obtained NABL and ISO14001 accreditation for the laboratory and the site.

DISPOSAL FACILITIES AT CHWTSDF, GUMMIDIPOONDI

Landfill

The secured landfill is constructed and operated under the supervision of IIT (M). The facility is also audited by IIT (M) and IWMA.

Design capacity 1,00,000 TPA

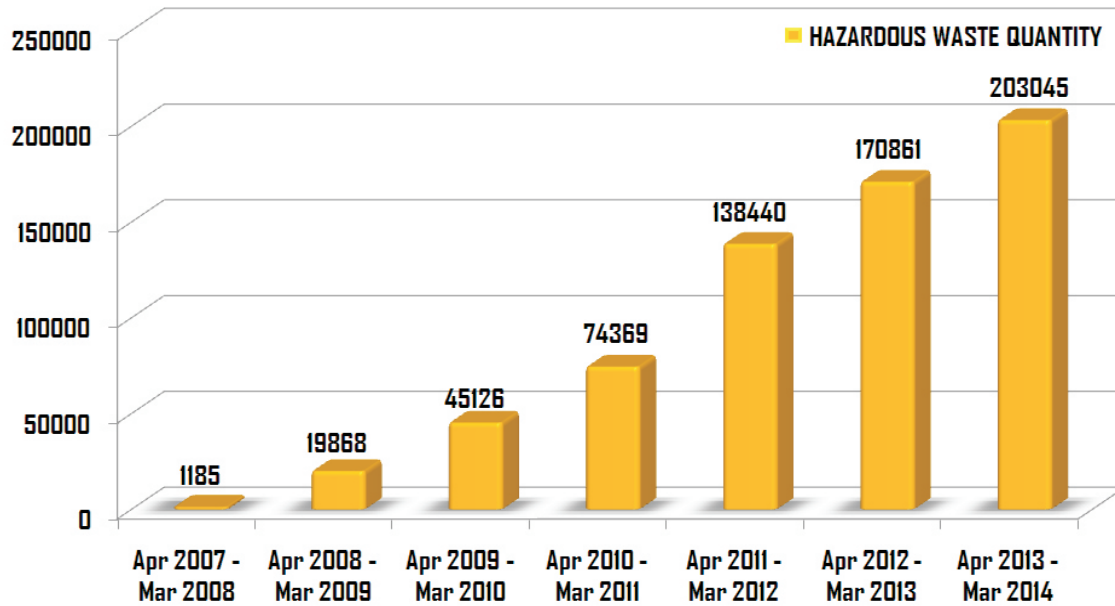

- ❖ Landfill-Cell 1 filled with 60,855 MT of waste
- ❖ Landfill-Cell 2 filled with 68,986 MT of waste
- ❖ Landfill-Cell 3 filled with 70,409 MT of waste
- ❖ Landfill-Cell 4 waste disposal is under progress

Incinerator

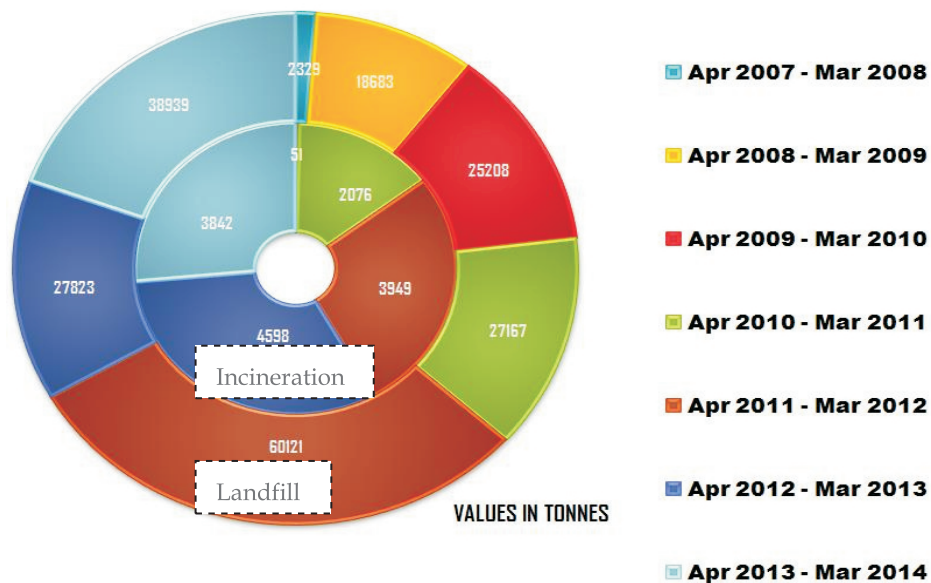

A state of the art incinerator was commissioned in 2010 for disposing ignitable wastes.

Capacity:1.5 tons/hour. Incinerated quantity: 14,506 MT

Hazardous Waste Qty Disposal-CHWTSDF

Hazardous waste disposal Qty Landfill and Incineration

IWMA ACTIVITIES

IWMA has been actively engaging in dissemination of awareness on environment among school children.

ENVIRO 2013

Every year IWMA in collaboration with Science Olympiad Foundation conducts 'ENVIRO' - a two day program for school children. Competitive events like elocution, debate, posters and model displays are held to promote environmental awareness among school children. More than 60 schools (more than 200 students) participate every year.

Enviro 2013 had a participation of around 66 schools from Chennai. The programme was conducted at IIT Madras, Chennai. The event was presided over by Mr. Rathinam Thyagarajan, Vice President - Business Development of M/s. TES-AMM (India) Pvt. Ltd. Competitions like Model Display, Essay writing, Just a minute show on environmental conservation topics were conducted.

ECAP (E WASTE COLLECTION AND AWARENESS PROGRAM)

IWMA, CII-YI and Tess-Am conducted an awareness drive on safe disposal of e-waste in 4 schools in the city. Representatives from the 3 organizations made presentations in these schools on the adverse impact on environment due to indiscriminate disposal of e-waste and arranged a collection drive for e-waste for secure disposal in e-waste recycling facility. The collection, over a period of one month, exceeded 330 kg. Prizes for the students disposing the largest quantity were presented a cash award in during the YES award ceremony.

YOUNG ENVIRONMENTAL SCIENTIST AWARDS-2014

The Young Environmental Scientist Award 2014 was held at IIT (M), Chennai in February 2014. The programme is conducted mainly to motivate and support school children to carry our experiments and share research findings on various environmental issues.

Prof. Natarajan, IIT was hand holding the participants over the project period. Nearly 1/3rd of the participants are from Govt. Schools. It was a pleasant surprise that the student from Govt. Schools were able to stand up to the competition and excel.

Around 40 schools participated and the programme was well received by all. This event was presided by Thiru Vikram Kapur, IAS-Principal Secretary/Commissioner - Chennai Corporation. The program was broadcasted in DD Podhigai in the month of March, 2014.

CHWTSDF VISIT:

1. ROTARY CLUB MEMBERS-REPRESENTING INDUSTRIES

IWMA organised visits to CHWTSDF for the Rotary Club Members on 03rd August, 2013 based on their request.

2. HEMS (HARYANA ENVIRONMENTAL MANAGEMENT SOCIETY)

IWMA organised visits to CHWTSDF for the representatives of Haryana Environmental Management Society on 12th February, 2014, based on their request from its Association

SEMINARS

IWMA conducted seminar during the year 2013-2014. The list of presentations made is as follows -

SL. NO.	TOPIC	PRESENTED BY
I.	Seminar on Alternate Technologies and Best Practices in Environment Management 28th SEP, 2013	
1	Electro Coagulation	Ms. S. Pavithra / Mr. Mohanasundaram Director, Enviro Science & Engineering Pvt. Ltd.
2	Concepts & benefits of Pre and Co-Processing in Cement Kilns	Mr. Milind M Murumkar Sr. General Manager, Geo Cycle India, ACC Ltd.
3	TNPCB Initiatives	Mr. R. Kumar ACEE, TNPCB, Chennai
4	Best Environmental Practices in Hyundai	Mr. M. Balasubramaniam, Manager (Env't), Hyundai Motors India Ltd. Kancheepuram
5	Best Environmental Practices in Brakes India	Mr.S.Selvam Manager -Corporate, Brakes India Ltd, Padi
6	Operational concerns of TSDF	Mr. Srinivasa Reddy Operations & Technical Head, TNWML
7	Success Story of CLRI Consultancy	Mr. S. Gnanasekaran, General Manager-QA -MR, Addison & Co. Ltd, Sriperumbudur

SL. No.	TOPIC	PRESENTED BY
II	SEMINAR ON SOLAR EVAPORATION - 24th Mar,2014	
1.	Solar and wind aided cross flow evaporators for RO reject management	Prof. Ligy Philip, IITM, Chennai
2.	Improved techniques in Solar Evaporation	Mr. Suresh, Jeyaswarna Agro Tech, Dindug
3.	Efficiency improvements in Solar Evaporation	Mr. N. Ramadoss, IWMA
4.	Sharing of experience in Reject Management System (RMS)	Mr. Suresh Kandhi Manoharan, IWMA
5.	Pretreatment of salt laden wastewater leather and textile industry for recovering reusable salt using Solar energy	Dr. G. Sekaran, CLRI, Chennai

PROXY FORM

I/We,.....of.....being members of IWMA, hereby appoint..... or failing him.....as my/our proxy to vote for me/us and on my/our behalf at the Twelfth Annual General Meeting of the company to be held on Saturday, 27th September,2014 and at any adjournment thereof. My/ Our hand(s) this.....day of..... 2014

Signed by the member:

Signature Proxy:

Note: Resolved that one person is authorized to represent one proxy in the Annual General meeting .The Proxy form must be returned so as to reach the registered Office of the Company not less than 48 hours before the time for holding the aforesaid meeting.

I hereby record my present at the Twelfth Annual General Body Meeting of the Company held on Saturday September 27, 2014

Full Name of the Representative in Block Letter:

Membership Number:

Signature of the Representative along with Seal:
